

CANCELLATION NOTICE

Project Title: Supply and Delivery of Personal Protective Equipment (PPE) for All Sites

RFQ Reference: KHC/RFQ/31/2025

Publication Period: 28 July 2025 – 05 August 2025

Please be advised that **RFQ KHC/RFQ/31/2025** for the *Supply and Delivery of Personal Protective Equipment (PPE) for All Sites* has been **cancelled**.

Reason for Cancellation:

Following an internal review and feedback from the end user, it was identified that the initial specification did not clearly define certain elements—particularly the **branding requirements** and the **specifications for safety boots**. This lack of clarity has resulted in variations and inconsistent pricing among the quotations received.

To ensure fairness and accuracy, the specification will be revised to include:

- Clear **branding details** for all PPE items; and
- Specific **details and standards** for safety boots required, including reference images for clarity.

A new RFQ will be published on this website once the updated specification has been finalised.

We appreciate the interest shown by all service providers and apologise for any inconvenience caused.

Issued by:

Ms. V Cekiso
